ELIGIBILITY

You must be 18 years old or older to register as a Registered User or to use the Website. Use of this Website is void where prohibited. By using the Website, you represent and warrant that you have the right, authority, and capacity to enter into this Agreement and to comply with all of the terms and conditions of this Agreement.

We may suspend or terminate your registration and/or access to the Website or any service or feature, at our sole discretion, at any time, for any reason. We may also, at our sole discretion, at any time, discontinue or change the Website or any service or feature, at our sole discretion and without prior notice or liability.

You acknowledge and agree that we may immediately deactivate or delete your registration and all related information and files or prevent any further access to such materials or the Website or any service or feature. Further, you agree that we shall not be liable to you or any third party for any such action.

PAYMENTS

We charge fees for various services as indicated on the Website. We may change our fees from time to time. Any change will be effective as soon as we post it on the Website. In the event we introduce a new service or feature, the fees for that service or feature are effective at launch. All fees are quoted in U.S. Dollars. You are responsible for paying all fees associated with using the Website and all applicable taxes.

AUTOMATIC RENEWALS

When you purchase our services, your account will be configured for automatic renewals. You will be asked to select a billing cycle for automatic renewals, for example, one month, three months, or six months. Your account will automatically renew on the first day of the next billing cycle, and your credit card will be billed automatically for the full price of that billing cycle. You will continue to renew

automatically for subsequent billing cycles, and your credit card will continue to be billed automatically for subsequent billing cycles, unless and until you cancel automatic renewal at least seven (7) days before the end of a billing cycle.

You may cancel automatic renewal only by logging to your account and following our cancellation procedure described in your account pages. If you cancel automatic renewal, your account will expire at the end of the billing cycle in which the cancellation request was received. We will not bill you for continued service when your account expires, and it will be your responsibility to renew your account if you desire continued service.

REFUND AND CHARGEBACK POLICY

All sales are final. There are no refunds for automatic renewal charges, even if you forgot to cancel on time, and even if you did not properly follow our cancellation procedure described in your account pages. You have no right to any refunds. It is your responsibility to notify us of cancellation on time, and to follow our cancellation procedure properly, so that we have sufficient time to delete your account from the system and to notify our payment processor to cancel the automatic billing of your credit card, among other reasons.

We have a "zero tolerance" policy for fraudulent chargebacks. A "chargeback" is a refund that you request from your bank or credit card issuer for charges made by us to your credit card account. If you order a service from this Website, then attempt to do a chargeback, you will be immediately terminated as a Registered User and you will have no authorization to access this Website for any reason. Chargebacks by your bank or credit card issuer will be disputed and reversed with electronic proof of use of our services. An additional \$25 reversal fee will be billed to your credit card upon reversal of the chargeback. Fraudulent chargebacks may be turned over to a law enforcement or collection agency.
